## Purpose of the Ohio State Convention

The Ohio State Convention of Alcoholics Anonymous is an open, annual service convention hosted on a rotation schedule by one of the four Ohio Service Areas.

The purpose of the convention is to carry the spirit of the General Service Conference to the districts and groups in Ohio and Southeast Michigan. This is accomplished by fostering cooperation among the four groups in Ohio Areas, highlighting and celebrating the General Service Activities of Alcoholics Anonymous in these areas and through sharing experience on A.A.'s legacies of unity, service and recovery.

The goal of the convention is to support and strengthen the General Service Conference structure in Ohio and Southeast Michigan, helping us to stay sober and to help other alcoholics achieve sobriety.

## Why do I have to pay?

Most associations like to hold conferences or conventions. But in A.A., a conference or convention is an important opportunity to share the A.A. experience in a broad way.

There are many A.A. conferences held throughout Ohio. One of the most common misconceptions of these gatherings is that they are A.A. meetings, and since, "There are no dues or fees for A.A. membership..." there should be no fees to attend. Conventions and conferences are special events, not regular meetings. They require months of planning, preparation, and money to present. Since most events are held in hotels or convention centers, there is a charge for the use of the facility. Along with the facility's charge, the hotel or convention center will require that the group purchase coffee and food. Other expenses include travel and lodging for conference speakers (they are never paid a fee for speaking), printing of flyers, schedules, badges, plus postage and supplies. A large event requires a substantial amount of money to present.

The Ohio State Convention is self-supporting. No group monies are used to pay for the event. The cost of the event is paid through registration fees, no baskets are passed. The ideal event is to break even; therefore, the registration fee is nominal compared to a weekend's worth of entertainment anywhere else. Attendance is voluntary and as responsible A.A. members we pay our own way.
