**Note:** One of the common misconceptions regarding conferences or conventions, like the Summer Roundup is that these conferences are AA or Al-Anon meetings and since "there are no dues or fees for AA membership" there should be no fees to attend. Conventions and conferences like this are *special* events, NOT regular AA or Al-Anon meetings. They require months of planning, preparation, and substantial money to put on. Since this conference will be held at the **Lake Storey Pavilion** there is a charge for the use of the facilities. Other expenses include: room and board for the speakers, printing and postage, and supplies for conference advertising and onsite hospitality/activities. The Summer Roundup is self-supporting. The total cost is paid through registration fees – however, baskets may or may not be passed. Attendance is voluntary and as responsible AA and Al-Anon members we "pay our own way." Thank you for your participation and continued support of the annual Summer Roundup.
